Respondent(s)

O R D E R

There is delay of 567 days in preferring the review petition. The explanation offered in application seeking condonation of delay, is far from being satisfactory.

The writ petition preferred by the review petitioners was disposed of by this Court on 20.03.2013 "with liberty to the petitioners to make an appropriate application/petition to the Director General of Police, Tamil Nadu, regarding their various grievances and the said authority is directed to look into the same and take appropriate steps in respect thereof."

Alleging that the matter was not looked into by the concerned authorities, two contempt petitions were preferred, which were disposed of by this Court. The order dated 02.08.2016 shows that no case for contempt was found to have been made out.

We have gone through the contents of the review petition and do not find any error apparent on record to justify interference in

review jurisdiction.

This review petition is, therefore, dismissed on the grounds of delay as well as on merits
