Delay condoned.

The special leave petitions are dismissed.

We also consider it proper to mention that the dismissal of these special leave petitions will not come in the way of the respondents in challenging the impugned order and in particular the finding rendered by the High Court while interpreting Rule 8 of The Karnataka Agricultural Produce Marketing (Regulation and Development) Act which is apparently against the respondents and also another finding recorded by the High Court with regard to the recovery of the defaulted amount in question.

The Registry is directed to send a copy of this order to all the respondents for their information.
