For Respondent(s)

UPON hearing the counsel the Court made the following
O R D E R

The *lis qua* the petitioner has been settled by the order dated 24.09.2018 and now the writ petition is sought to be filed which effectively seeks to challenge that order. The writ petition is completely misconceived and it is most unfortunate that the counsel did not deem it appropriate to advise the petitioner that such a remedy is not available in law. We would be inclined to impose costs for such a misadventure but for the fact that the person has already been out of a job.

We dismiss the petition with a caution to the learned counsel to be careful in future.

Pending application shall also stand disposed of.
