**UPON hearing the counsel the Court made the following**  
**O R D E R**

Delay condoned.

AICTE has included Pharma-D course for the first time this year. As a special case, the AICTE would be considering the prayer made by the petitioner society for approval/recognition within a week.

Accordingly, nothing further survives for adjudication. The order should not be treated as a precedent as it has been passed on the basis of consensus in the peculiar facts of the case.

Ordered accordingly.

Special Leave Petitions and pending applications, if any, stand disposed of.

It is desirable that Government of India should revisit the definition in Section 2 g of AICTE. Whether there could have been inclusion of pharmacy when it was already covered by Pharmacy Act, 1948.
