O R D E R

The corrections sought in this Miscellaneous Application do not make any substantial difference to the directions given by this Court by the Order dated 20.11.2020. The order passed by this Court on 20.11.2020 is only to permit the applicants to participate in the second round of counselling and not in the first round. The words "ongoing counselling process which is the second

round at present" at Page 3 of the order are corrected as "ongoing counselling process which is the first round at present".

Mr. Uday B. Dube, learned counsel submitted that for the current Academic Year admissions are made to undergraduate courses without the process of counselling. The mention of the word "counselling" does not make any difference to the direction given by this Court on 20.11.2020.

The third clarification is regarding the production of Caste Validity Certificate at the time of their joining. We make it clear that the intention of this Court is production of the "Caste Validity Certificate" and not 'Caste Certificate'

Miscellaneous Application as well as Interlocutory Application stands disposed of.
