UPON hearing the counsel the Court made the following
O R D E R

We find that in an FIR that was lodged way back in 2006, the trial has not at all progressed and only 10 witnesses have been examined out of 87 witnesses. According to us, the Special Court must now take up the case on a day-to-day basis starting from the next month and complete examination of all the witnesses within a maximum further period of six months.

With these observations, the transfer petition is dismissed.
