O R D E R

There is delay of 118 days in filing the present Review Petition and the explanation given in the application seeking condonation of delay is far from being satisfactory.

The Writ Petition preferred by the Respondent seeking regularization of his service with effect from the date his junior was regularized and for arrears of salary was allowed by the Single Judge. The order so passed was affirmed by the Division Bench. The Special Leave Petition arising therefrom was filed with delay of 132 days. The Special Leave Petition was dismissed on the ground of delay.

We have gone through the Review Petition and do not find any error apparent on record to justify Review Jurisdiction.

This Review Petition is dismissed on the ground of delay as well as on merits.
