ORDER

Delay condoned.

The order in respect of which review has been sought for is dated 19th July, 2017. The principal ground on which review has been sought is that a similar matter has been entertained by this Court. Such similar matter has been entertained by this Court by order dated 22nd September, 2017 after the order passed by this Court in respect of which review has been sought. We, therefore, do not consider the above to be a good ground for review. The review petition is accordingly dismissed.
