O R D E R

We have heard learned counsel for the parties.

So far as judgment of this Court dated 1<sup>st</sup> December, 2016 directing the payment of dearness allowance is concerned, it does not stipulate payment of any interest. When the judgment has attained finality, the respondents-applicants are not justified in praying for an award of interest, either on the dearness allowance or on the arrears of the same.

Application (M.A. No.269/2019) for directions is accordingly dismissed.
