Delay in preferring the review petition is condoned.

The review petitioner was convicted under Section 302 and 376 IPC and substantively sentenced to life imprisonment on the first count and RI for 10 years on the second count. The conviction and sentence was affirmed by the High Court which decision was under challenge before this Court. Special leave petition arising therefrom was dismissed by this Court on 03.07.2019. The conviction was based on the evidence on record.

We have gone through the grounds raised in the review petition and do not find any error apparent on record to justify interference in review jurisdiction. This review petition is dismissed.
