Application for oral hearing is rejected.

Delay of 120 days in preferring review petitions is condoned.

While allowing the appeals, the entirety of the matter was considered by this Court including the fact that the decision rendered by the Division Bench of the Madras High Court had already stood confirmed by dismissal of a special leave petition challenging said view. All the submissions raised in support of the decision under appeal, either through the parties or the intervenors were duly considered.

We have gone through the review petitions and the grounds raised therein. We do not see any error apparent on record calling for interference in review jurisdiction. These review petitions are, therefore, dismissed.
