UPON hearing the counsel the Court made the following  
O R D E R

On hearing learned counsel for parties it transpires that the writ petition has been kept pending in the High Court ostensibly on

the ground of pendency of the present special leave petition(s) while all that this Court had directed was that the impugned order was stayed which have made some interim directions.

Learned counsel for the petitioner(s) submits that insofar as the implementation of the High Power Committee is concerned, payments in terms thereof are being made and can be permitted to be drawn as directed. This is stated to be a general order for the entire organisation.

We are thus of the view that the present matter can be disposed of by directing the High Court to take a final view on the matter and in the meantime, as per the general directions of the petitioner, the respondents will be entitled to draw the amounts as per the recommendation of the High Power Committee i.e. honorarium @ 3% of basic pay per month from the date of authorization from retrospective effect to the persons authorized as Assistant Manager/ Under Manager as approved on 09.7.2018.

The remaining direction contained in the impugned order need not be implemented till a final view is taken in the matter.

The special leave petitions accordingly stand disposed of.

Pending applications stand disposed of.
