The appellant/petitioner is satisfied with the action taken by the respondent and the contempt stands purged. She, however, makes additional submissions that in terms of para 3(f), the State Government has initiated due process of induction of eligible MPS officers to IPS as per the fresh seniority list notified on 21.12.2020. But her apprehension is that the process should not become endless.

The Chief Secretary is present before us and assures us that he will not take more than two months to complete his part of the job for the State Government but will endeavour to do it earlier, if possible. He submits that thereafter the matter is dependent on the timely action to be taken by the UPSC and the Central Government. In his view, about two months thereafter should be sufficient for the said purpose.

We consider appropriate to record the aforesaid statement and to issue directions to the Central Government and the UPSC that once the State Government forwards the necessary papers, the needful should be done within a maximum period of two months thereafter in view of the prolongation of time which has already taken place at the cost of the appellant/petitioner.

The contempt petitions are closed with the aforesaid directions and notice stands discharged.

A copy of the order passed by us should accompany the proposal of the State Government to the UPSC and the Central Government so that the timelines are kept in mind.
