O R D E R

1. Delay condoned.
2. Learned senior counsel for the parties are *ad idem* that the issue involved in the instant case squarely falls within the ambit of our decision in Government of NCT of Delhi through its Secretary, Land and Building Department & another vs. K.L. Rathi Steels Limited and others, (2024) 7 SCC 315.
3. Consequently, the private respondents shall be entitled to compensation under the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 in accordance with the procedure as explained in paragraph 128 of *K.L. Rathi (supra)*, which reads as follows:

128. Under the circumstances, dismissal of the RPs and miscellaneous applications would have been logical and we could have ended our judgment here by ordering so. However, there is something more of a balancing act that needs to be done having regard to the disclosures that were made in course of progress of other proceedings before us, which followed immediately after judgment on this set of RPs and miscellaneous applications was reserved. Such other proceedings arose out of appeals carried from orders of the High Court declaring land acquisition proceedings as lapsed based on the decision in Pune Municipal Corporation (*supra*) as distinguished from RPs and miscellaneous applications of the nature under consideration. Since all such proceedings have more or less a common genesis and have followed similar trajectory, it would be eminently desirable to find a solution that benefits all. We may hasten to add here that the exercise of inherent powers conferred on this Court by Article 142, in such circumstances, is not just

inevitable but also pivotal for disposal of the matters at hand, given their impact on public interest at large as well as to secure uniformity and consistency in our decisions; hence, we consider it expedient to pass such orders or directions for ensuring complete justice in the matters under consideration before us. Notwithstanding our discussion on the reference which was necessitated to answer the question of law on which there was a disagreement between the Hon'ble Judges of the Division Bench, taking an overall and holistic view of the matter and in the light of the larger public interest that is involved, in each of the RPs and miscellaneous applications that have been dealt with by this judgment (except those remanded to the High Court and those de-tagged for separate listing infra), we issue the following directions:

- a) The time limit for initiation of fresh acquisition proceedings in terms of the provisions contained in section 24(2) of the 2013 Act is extended by a year starting from 01st August, 2024 whereupon compensation to the affected landowners may be paid in accordance with law, failing which consequences, also as per law, shall follow;
- b) The parties shall maintain status quo regarding possession, change of land use and creation of third-party rights till fresh acquisition proceedings, as directed above, are completed;
- c) Since the landowners are not primarily dependent upon the subject lands as their source of sustenance and most of these lands were/are under use for other than agricultural purposes, we deem it appropriate to invoke our powers under Article 142 of the Constitution and dispense with the compliance of Chapters II and III of the 2013 Act whereunder it is essential to prepare a Social Impact Assessment Study Report and/or to develop alternative multi-crop irrigated agricultural land. We do so to ensure that the timeline of one year extended at (a) above to complete the acquisition process can be adhered to by the appellants and the GNCTD, which would also likely be beneficial to the expropriated landowners;
- d) Similarly, compliance with sections 13, 14, 16 to 20 of the 2013 Act can be dispensed with as the subject-lands are predominantly

urban/semi-urban in nature and had earlier been acquired for public purposes of paramount importance. In order to simplify the compliance of direction at (a) above, it is further directed that every Notification issued under section 4(1) of the 1894 Act in this batch of cases, shall be treated as a Preliminary Notification within the meaning of section 11 of the 2013 Act, and shall be deemed to have been published as on 01st January, 2014;

- e) The Collector shall provide hearing of objections as per section 15 of the 2013 Act without insisting for any Social Impact Assessment Report and shall, thereafter, proceed to take necessary steps as per the procedure contemplated under section 21 onwards of Chapter-IV of 2013 Act, save and except where compliance of any provision has been expressly or impliedly dispensed with;
- f) The landowners may submit their objections within a period of four weeks from the date of pronouncement of this order. Such objections shall not question the legality of the acquisition process and shall be limited only to clauses (a) and (b) of section 15(1) of the 2013 Act;
- g) The Collector shall publish a public notice on his website and in one English and one vernacular newspapers, within two weeks of expiry of the period of four weeks granted under direction (f) above;
- h) The Collector shall, thereafter, pass an award as early as possible but not exceeding six months, regardless of the maximum period of twelve months contemplated under section 25 of the 2013 Act. The market value of the land shall be assessed as on 01st January, 2014 and the compensation shall be awarded along with all other monetary benefits in accordance with the provisions of the 2013 Act except the claim like rehabilitation etc.;
- i) The Collector shall consider all the parameters prescribed under section 28 of the 2013 Act for determining the compensation for the acquired land. Similarly, the Collector shall determine the market value of the building or assets attached with the land in accordance with section 29 and shall further award solatium in accordance with section 30 of the 2013 Act;

- j) In the peculiar facts and circumstances of this case, since it is difficult to reverse the clock back, the compliance of Chapter (V) pertaining to "Rehabilitation and Resettlement Award" is hereby dispensed with; and
- k) The expropriated landowners shall be entitled to seek reference for enhancement of compensation in accordance with Chapter-VIII of the 2013 Act.

4. It is clarified that the extension of one year, as granted to the Authorities for completion of acquisition in sub-para (a) reproduced above, will commence from the date of this order.

5. The Miscellaneous Applications and Review Petition(s) are, accordingly, disposed of.
