O R D E R

Application for direction to list the Review Petition in Open Court for hearing is rejected.

The appeal was disposed of after hearing the parties and after considering all the relevant submissions by a reasoned judgment.

We have gone through the contents of the Review Petition and especially para 6 which limits the scope of the Review Petition to three facets.

We have considered the submissions and do not find any error apparent on record to justify interference.

This Review Petition is, therefore, dismissed.
