For Respondent(s)

UPON hearing the counsel the Court made the following  
O R D E R

The office memorandum dated 12.06.2019 creating a prosecution department for India Railways is sought to be assailed by the petitioner on the ground that earlier direction passed for the manner in which it has to operate has not been complied with.

We are of the view that the remedy of the petitioner(s) would be filing of appropriate petition before the Central Administrative Tribunal, the Bench concerned, and not by straightaway approaching this Court under Article

32 of the Constitution of India.

Needless to say that priority will be given to this matter considering that one way or the other, the dispute has dragged on for almost two decades.

The writ petition is dismissed with the aforesaid observations.
