O R D E R

Upon perusing the paper book, it has come to our notice that there is a delay of 194 days in filing this review petition and we do not find any justifiable reason to condone this huge delay.

Even on merits, we have perused the Review Petition and the connected papers carefully and are convinced that the order, of which review has been sought, does not suffer from any error apparent warranting its reconsideration.

The Review Petition is, accordingly, dismissed on the ground of delay as well as on merits.
